### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>First, thanks a lot to the author for conducting such an important research paper.</b>  1- The questionnaires methodology is organized very well, and the result is analysed significantly. 2- It is strongly suggested to make a separate part under the title of "literature" and be careful that literature and theoretical background differ. 3- Supporting the conclusion by comparing with some more conducted research and articles, will make strong the paper although it is analyzed very well.	
<b>Minor</b> REVISION comments	1- It seems there are no writing and numerical mistakes which is a good sign.	
<b>Optional/General</b> comments	Overall, the article is organized very well, and it is ready to be published with this version.
