PART 1: Review Comments

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	Review the title of Table 5 on page 8. Wouldn't it be "grade six students" instead of "grade seven students"?	
Minor REVISION comments	I have some questions about methodology: 1-Was the study submitted to the research ethics committee? If submitted, add to the methodology. 2- Did the parents sign an informed consent form before the students answer the questionnaire. If they signed add on methodology.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	*(If yes, Kindly please write down the ethical issues here in details)*
