PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The researcher should work on: <ul style="list-style-type: none">- The study model indicating the dependent and independent variables.- The introduction is too long	
<u>Minor</u> REVISION comments	The researcher should work on: <ul style="list-style-type: none">- The variables (dependent, independent, control) variables should be in figure form.- There is no previous literature and studies	
<u>Optional/General</u> comments	The paper is excellent and it brings valuable contribution to the field of economics. I recommend this study for publication since it has a lot of relevance for the international readers of the journal.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
