Compulsory REVISION comments	<p>Overall, this is a clear and concise manuscript.</p> <p>Abstract: Please more focus on appropriate sentence making related with your objective. Need to mention about study duration and time. And it is better to mention 4 point such as: Background or Objective, Methods, Result and Conclusion.</p> <p>Introduction: The introduction is relevant and in particular some sentences are needed to rewrite. Author should emphasis on statement of the problems but result not important here.</p> <p>Literature Review: All the literature is relevant.</p> <p>Methodology: The author accurately explains how the data was collected and follow all the procedure. Research design is suitable for the nature of the study. And sampling method is also appropriate.</p> <p>Result: Result is very clear. Here author analysis the result through a logical sequence. The author mention only one result by table but descriptive analysis is very much important to mention.</p> <p>Discussion: All the discussions are supported by the results and seem reasonable.</p> <p>Conclusion: Highly recommended for publication</p> <p>Recommendation: In the recommendation section, author need to input more relevant recommendation to standard.</p> <p>References: The journal "Asian Journal of Education and Social Studies" follow MLA references style but in this manuscript was followed APA style. So, I am requesting to author to follow MLA style.</p>	
Minor REVISION comments	<p>-In this manuscript "Purpose" is another point but it will be better to include with introduction.</p> <p>-In methodology part, it is essential to incorporate properly study design, sample size determination, sample distribution, analysis techniques etc.</p> <p>-Some sentences are scope to improve and about spelling mistake need to improve</p>	
Optional/General comments	N/A
