Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	You have to pay attention mostly to the way how to write an abstract correctly. It should be less than 300 words, without any section, plus no-more-than-5 keywords.	
Minor REVISION comments	<p>(1) Punctuation errors, as in:</p> <p>(a) "The child as a result achieves initial education and socialization from parents and other persons in the family.", it should be "The child, as a result, achieves initial education and socialization from parents and other persons in the family.";</p> <p>(b) "The family according to [1] is seen an environment which lays the psychological, moral, and spiritual foundation...", it should be "The family, according to [1], is seen as an environment which lays the psychological, moral, and spiritual foundation...";</p> <p>(c) "Psychological home condition according to [2] arises mainly from illegitimacy of children,...", it should be "Psychological home condition, according to [2], arises mainly from illegitimacy of children,...";</p> <p>(d) "This by extension greatly affects the upbringing of the product of such marriages (children).", it should be "This, by extension, greatly affects the upbringing of the product of such marriages (children).";</p> <p>(e) "Statistics have shown that broken families may have profound negative impact on student's academic achievement in subjects in secondary schools as, parents play an important role in most children's academic development.", it should be "Statistics have shown that broken families may have profound negative impact on student's academic achievement in subjects in secondary schools as parents play an important role in most children's academic development.";</p> <p>(f) "This according to [5] shows that children from broken homes often perform poorly in school and...", it should be "This, according to [5], shows that children from broken homes often perform poorly in school and...";</p> <p>(g) "Secondary school students' according to Falipe in [1] takes into cognizance both quality and quantity of the internal and external academic achievement achieved.", it should be "Secondary school students', according to Falipe in [1], takes into cognizance both quality and quantity of the internal and external academic achievement achieved.";</p> <p>(h) "..., these include students' home background this is according to studies of [7] and [8].", it should be "..., these include students' home background, this is according to studies of [7] and [8].";</p> <p>(i) "Hence this, backdrop and gap in literature on the academic achievement of secondary school students has revealed a rising concern on the issue of academic achievement.", it should be "Hence, this, backdrop and gap in literature on the academic achievement of secondary school students has revealed a rising concern on the issue of academic achievement.".</p> <p>(2) Vocabulary errors, as in:</p> <p>(a) "The family according to [1] is seen an environment which lays the psychological, moral, and spiritual foundation...", it would be better, if "The family according to [1] is seen as an environment which lays the psychological, moral, and spiritual foundation...";</p> <p>(b) "Broken homes or families in the context of this study is one which is not structurally intact,...", it would be better, if "Broken homes or families in the context of this study is the one which is not structurally intact,...";</p> <p>(c) "..., this could be as a result of divorce, separation, and death of one of the parents.", it would be better, if "..., this could be a result of divorce, separation, and death of one of the parents.";</p> <p>(d) "... and could in no doubt enhance or hinder the academic achievement of the child...", it would be better, if "... and could surely enhance or hinder the academic achievement of the child...";</p> <p>(e) "In the opinion of [4], broken-home is the breaking of family unit.", it would be better, if "An opinion argued by [4], broken-home is the</p>

	<p>students perceived influence...”;</p> <p>(s) “Data relating to hypothesis 2 presented in table 4 shows the t-test for independent sample summary on the of mean rating of students...”, it should be “Data related to hypothesis 2 presented in table 4 show the t-test for independent sample summary on the of mean rating of students...”;</p> <p>(t) “Equal number of items raised on students’ perceived influence of broken homes on their academic achievement in English language in secondary schools were rated as agreed to as well as disagreed.”, it should be “Equal number of items raised on students’ perceived influence of broken homes on their academic achievement in English language in secondary schools was rated as agreed to as well as disagreed.”.</p>	
<u>Optional/General</u> comments	<p>(1) You have to pay more attention to which kind of English you are going to use (American English or British English). It can surely be a benefit for your future in writing a research article.</p> <p>(2) You have to improve your vocabulary.</p>	

PART 2:

	Reviewer’s comment	Author’s comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
