<mark>PART 1:</mark> Review Comments

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**The study can be more relevant if it is supported with theoretical background. As suggested above, I think a more in-depth discussion would be helpful. I feel this is a significant result for this research, and therefore it merits more discussion. The author may wish to mention why the research is important in the present scenario.**	
Minor REVISION comments	The literature cited is relevant to the study, but several instances have been noted above, in which the author makes assertions without substantiating them with references.	
Optional/General comments	Overall, the information presented represents valuable information regarding the Kinship of Karo, Pakpak and Gayo Language.
