PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The study can be more relevant for review article. This manuscript cannot be considered as a research article. The author has reviewed only the previous articles but fails to mentions his contribution to the study. As suggested above, I think a more in-depth discussion would be helpful. I feel this is significant research, and therefore it merits more discussion.	
<u>Minor</u> REVISION comments	The author may wish to mention why his/her research is important in the present scenario in spite of mentioning previous articles.	
<u>Optional/General</u> comments	Overall, the information presented regarding English as a Foreign language and the Use of Educational Games is beneficial to some extent.
