PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	I want to congratulate the author for the excellent topic addressed, as the pandemic really brought a lot of sadness and, above all, a great distance between friends and family through social isolation. It is extremely important to report this subject, considered controversial in people's lives. Happy birthday	
<u>Minor</u> REVISION comments	A very relevant and important subject for the whole society.	
<u>Optional/General</u> comments	1 - It is suggested that the author report on coronaviruses, how they emerged and define COVID-19. 2- Insert the general objective of the research 3-Insert because COVID-19 was considered a pandemic. 4- In each reference I will insert the date it was accessed	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
