### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>Delight full greetings ,Dear Editors and the authors, there is a serious issue which must be corrected to publish the paper I already put on the paper but to give the general direction:</p> <ol style="list-style-type: none"><li>1. The title must be SMART( specific, measurable, achievable)</li><li>2. The paper or the manuscript has a serious spelling error you have to revise it</li><li>3. It has also serious grammatical issue, the coherence of the sentence,...</li><li>4. The font size, type is not uniform some are Arial some are times new roman and some are others.....</li><li>5. The writing way of the paper seems proposal not a manuscript, specifically the methodology section is literally a proposal in the manuscript the future tense must be changed to past tense</li><li>6. Statistical model of analysis will be also revised</li><li>7. The reference is entered manually it is not appropriate it must be entered via soft ware like medley or endnote software</li></ol>	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments	<p>Delight full greetings, I am really interested to this paper because as we all know the morbidity and mortality of this COVID-19 in a pandemic manner in the globe is high. So studying this title is very interesting. But there is a serious grammatical issue in this manuscript preparation.</p> <p>The issues was already commented on the paper</p>	

Review Form 1.6
