PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1.The author should have mentioned about the schedule of meeting in the paper. The frequency of meeting scheduled has to be considered, so that the delay can be better studied. This part is missing.	
Minor REVISION comments	<ol style="list-style-type: none">1. The author has considered multiple colleges to study the delay was good.2. Relating the parameter to the markov process was good.3. Consider the frequency of meeting for each college and try to analyse the delay samples for each college, so that the delay can be better studied based on the probability.	
Optional/General comments	The paper can be accepted with minor revisions and it is a study paper only, not a research article.
