Compulsory REVISION comments	N/A	
Minor REVISION comments	<p>Discussion: Could the expression of (do not grow in blood cultures) replaced by the more scientific (Culture negative IE). Also, Could the author/s, please, clarify more on possible situations of the Culture Negative IE. It was mentioned in the context but would recommend more highlights on it as it is an essential part of this case presentation. For example, previous antibiotic therapy, Fungal, and the slowly growing atypical organisms that might need more time to grow</p> <p>Conclusion: I would strongly advise to change the expressions of "western hemisphere" to "the well-developed health systems" and "third world countries" to "developing health systems"</p>
