General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalbjournal.com/index.php/BJI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The study seems fine but with some questions:</p> <ol style="list-style-type: none">1) Are the readers now be interested in It (since already many studies were conducted on similar topics)2) The data is not presented and compiled with tables and there is no data analysis that shows significant impact over the sector.3) Table -1 and figure 1 is showing data for same period but figure 2 has different period data?4) The data of figure 2 to be clubbed with the figure 2 to present some analysis.5) The tile has word " Global" but paper has only Europe, US and India and the data presented is different and incomparable form .	
Minor REVISION comments	<p>The first line of conclusion starts with "We have reached to 2021 and the lockdown efforts in most nations are winding" while we are about to finish the first quarter of 2022, thus some correction and additions may be done to look at the period of the study.</p> <p>Authors need to check some impatrical studies of 2021 and 2022 to add some value for the readers.</p> <p>Some concers are also need to revised as far as the syntax errors and English improvement</p>	
Optional/General comments
