PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. The introduction part is very elaborative which should be reduced. 2. The materials and methodology is not clear and very vague, It should be rewritten by including the exact methodology and sampling procedure followed for data recording on various insect pests. 3. The results and discussion part is not written well, the pest status should be mentioned at various stages of survey and it should be discussed in the light of available literature.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
