Manuscript Number:	Ms_IJECC_84873
Title of the Manuscript:	Projection of futuristic climatic scenario of Cuttack district of Odisha using CMIP5
Type of the Article	Research article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The chosen study is good, still the research article needs major revision. Additional points in introduction can be done and the reference may be of recent works. In materials and methods kindly include the type of downscaling and the commented changes like bias correction and seasonal analysis. The results and discussion, summary and conclusion and abstract shall be improved after including further analysis. The season in the paper is mentioned only in Materials and methods and the normal season in India for Summer is from March to May and Winter also Dec to Feb or Jan and Feb, but I doubt it from October to Feb. So, kindly provide reference for the summer and winter season given in the article and also the seasonal analysis results. The Tables can be cited wherever necessary and graphs may kindly be included.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
