### PART 1: Review Comments

|                                            | Reviewer's comment                                                                                                                                                                                                                                                                                       | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments |                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      | See the comments in the text of the manuscript.<br>There are missing citations.<br>It would be advisable to express the economic results in US dollars or in some other widely used currency so that they are more easily comparable.<br>Indicate whether the differences are statistically significant. |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    | This is an interesting manuscript based on many years of experiments.<br>Accept it for publication then that the suggested corrections have been made.                                                                                                                                                   |                                                                                                                                                                               |

### PART 2:

|                                              | Reviewer's comment                                                    | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|----------------------------------------------|-----------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) |                                                                                                                                                                               |
