

Review Form 1.6

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_85985
Title of the Manuscript:	Interaction effect of Organic Manures and Alkali Water on Yield of Wheat
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>Introduction Too short. Should follow the scientific order of paper writing for the Introduction. There is no objective, justification or rationale of the study. Please write a brief and informative Introduction.</p> <p>Introduction and Methodology should be improved as suggested</p> <p>Some abbreviations need to be elaborated for the first time.</p> <p>Some references should be added to the relevant literature/info supplied in the article.</p> <p>A different bar chart type might be better to present the results. It is better to combined the six figures into two (one for grain and one for straw)</p>	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	<p>The overall article is fine and the results are well presented.</p>	

Review Form 1.6
