

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_88342
Title of the Manuscript:	Assessment of different fertilizer levels on growth and yield of coriander. (Coriandrum sativum L.) cv- JD-1.
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The work is well done. The experiment was done correctly. The data obtained were processed and statistically interpreted by appropriate methods. The consulted bibliography is on the subject. A very large number of scientific papers were consulted, based on which the results obtained were introduced and discussed. The conclusions are clear and correctly formulated.	
Minor REVISION comments	In the text of the paper, table 6 does not follow its title, with its conclusions. I recommend placing the table after its title.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
