Review Form 1.6

Journal Name:	**International Research Journal of Pure and Applied Chemistry**
Manuscript Number:	**Ms_IRJPAC_78213**
Title of the Manuscript:	**Chemical composition and antioxidant activity of the essential oil of Cardiospermum grandiflorum Sw harvested in Kokumbo in Ivory Coast**
Type of the Article	**Original Research Article**

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty'**, provided the manuscript is scientifically robust and technically sound.
To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

PART 1: Review Comments

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	No compulsory revision	
Minor REVISION comments	Spelling mistake in some of the words like in writing phytohemical instead of **phytochemical** and the equation should contains number in order to specify	
Optional/General comments	The study highlights the importance of the traditional medicine. Title and abstract are appropriate for the content of the text. Furthermore, the manuscript is well constructed. It contributes for the determination of the chemical composition and evaluation of the antioxidant activity of the essential oil of Cardiospermum, grandiflorum, and is also contribution to boost the traditional medicine.	

PART 2:

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	*(If yes, Kindly please write down the ethical issues here in details)*
