PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	H5N1 outbreak in Africa occurred in Kaduna State is very important. Such work is required. The article has been remarkable with photos. In terms of biosecurity, it is actually important not only for Kaduna State, Nigeria, but for the whole world. The article named "Live wild bird trade and sellers' biosecurity risks in Kaduna State, Nigeria" is noteworthy. However, the article is very poor in terms of page layout. It will be much more valuable if it is reviewed again.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
