PART 1: Review Comments

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	- The manuscript is good but needs to reconstruct where there are some important points have been highlighted that the authors must take it in account to make the manuscript ready for publication - It is better to rephrase the title appropriately. - The abstract is poorly written and doesn't contain the final results and the main conclusion.	
Minor REVISION comments	The Introduction section of the manuscript needs additional information details where the problem and objective of research are not well described	
Optional/General comments	The research work requires more edit for further clarity as well as rewrite the manuscript scientifically	

PART 2:

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	*(If yes, Kindly please write down the ethical issues here in details)*
