PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	<ol style="list-style-type: none">1. Re-write Introduction section and elaborate it.2. References are not as per guidelines to author(s)3. Author should mention about the ethical concern with number4. There are lots of syntax errors in the result and discussion section. Please rectify it.5. I also suggest authors to add age-related expression of p53 in females in discussion section.6. Authors have mention about Chi-sqaure test but in the whole manuscript and table I couldn't find mentioning of any statistical parameters.7. Write a statement about conflict of interest among authors or organization.	
<u>Optional/General</u> comments
