### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<p>The article brings a review of a very important topic for the rural community in a region of Nigeria: Maternal mortality of rural women. Sad and worrying situation. Thus, I believe that the publication of this work may awaken the authorities to resolve this political and economic situation in these communities. However, I suggest that this review remain only as a literature review, since the systematic review requires strict criteria for statistical analysis of the data etc ... which was not done in your work.</p> <p>Please note some suggestions in the text.</p> <p>Check too, the bibliographic references cited in the text.</p>	
<b><u>Minor</u></b> REVISION comments		
<b><u>Optional/General</u></b> comments		

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
