PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Here there are 2 introductions, the first 2 pages explain different than the next pages, even though in similar fields. Need to clear the paper	
Minor REVISION comments	Using abbreviation should be explained at the beginning (even in abstract part), so there is no problem for next to use abbreviation. For example DM, PMP\ Some minor grammatical errors and punctuation (.,) The way to add ne number of citation should follow the guidance. On introduction some information mentioned, better to add the reference to proof academically	
Optional/General comments
