

Review Form 1.6

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_83810
Title of the Manuscript:	Castor Bean Cake: A Promising Alternative for Sustainable Spider Mite Management
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljeai.com/index.php/JEAI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	The manuscript presents a study that has robust methodology and it appropriately reported the aim and the findings of the study. However, there are some corrections that the author has to make; they are highlighted with green in the manuscript. For example; i) when writing units, it's usually written after a space ie 10 % not 10%, 6 cm not 6cm and so on, ii) et al is written as <i>et al.</i> , (italicised, with full stop and a comma) not et al. iii) the REFERENCE section should follow a particular styles and all botanical names should be italicised as well	
Optional/General comments	Thank you for embarking on this study and sharing your findings with the academic community!	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
