### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljeai.com/index.php/JEAI/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	Lots of mistakes with respect to the writing style of References in running TEXT as well as in presenting the references in REFERENCE section. Complete changeover of the references in References Section is required where there is no mention of many references which are cited in the Text. Authors should go through and study a published paper of this journal or the author's guidelines before preparing a manuscript intended to publish in any scientific journal.	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments	After proper correction in citations in the text as well as addition of references, which are left out, in Reference section the manuscript may be considered for publication.	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<b><u>(If yes, Kindly please write down the ethical issues here in details)</u></b> Not observed.	

As per the guideline of editorial office we have followed VANCOUVER reference style for our paper.
