

## Review Form 1.6

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| Journal Name:            | <a href="#">Journal of Engineering Research and Reports</a> |
| Manuscript Number:       | Ms_JERR_83846                                               |
| Title of the Manuscript: | Tropospheric Influence on Call Setup in Mobile Networks     |
| Type of the Article      | Original Research Article                                   |

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
