General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalgeesi.com/index.php/JGEESI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Dear author/s, I have reviewed thie whole manuscript, the study is informative and the methods are valid. But I have found several minor issues which needs to be checked; 1. I suggest that the authors have a general check and revise the whole manuscript thoroughly as there are some grammatical mistakes. 2. Also improve the English as some sentences structures are too bad.	
Minor REVISION comments	1. Please check the track file to revise and correct grammatical errors. 2. Add references where needed.	
Optional/General comments	1. Overall, it is a good study but needs some improvements. 2. Check the attached track file with some extra comments.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
