### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<p>The abstract needs to be revised. The abstract should consist of clear background, problems, why this research has to be conducted, the research method, and the paper's conclusion.</p> <p>The author should write the apparent reason(s) or provide the research objectives in the background. Also, organizing your ideas would be great to do. Good idea organization supported with adequate theories will shape the robustness of your research. You need to divide your ideas into sections. Doing so will keep your thoughts organized.</p>	
<b><u>Minor</u></b> REVISION comments	It is recommended to divide long sentences into paragraphs.	
<b><u>Optional/General</u></b> comments
