

## Review Form 1.6

|                          |                                                                  |
|--------------------------|------------------------------------------------------------------|
| Journal Name:            | <a href="#">Journal of Pharmaceutical Research International</a> |
| Manuscript Number:       | Ms_JPRI_76618                                                    |
| Title of the Manuscript: | CASE REPORT ON ECTOPIC PREGNANCY WITH SEPTICMIA                  |
| Type of the Article      | Case study                                                       |

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://peerreviewcentral.com/page/manuscript-withdrawal-policy>)

### **PART 1:** Review Comments

|                                     | Reviewer's comment                                                                                                               | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments | IT IS A GOOD CASE REPORT VERY INFORMATIVE BUT WE HAVE SEEN IT BEFORE<br>THE NUMBER OF THE REFERENCES IS LOW<br>WE NEED SOME MORE |                                                                                                                                                                               |
| <b>Minor</b> REVISION comments      | THE NUMBER OF REFERENCES SHOULD BE CHECKED THOROUGHLY                                                                            |                                                                                                                                                                               |
| <b>Optional/General</b> comments    |                                                                                                                                  |                                                                                                                                                                               |

As per the guideline of editorial office we have followed VANCOUVER reference style for our paper.
