

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_77807
Title of the Manuscript:	ANTIPROLIFERATIVE POTENTIAL OF ERYTHRINA INDICA LEAF AQUEOUS EXTRACT AGAINST HUMAN BREAST CANCER CELLS
Type of the Article	Original

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://peerreviewcentral.com/page/manuscript-withdrawal-policy>)

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	Standardize the values of the concentrations used in the extract. In the summary, methodology and graph of results, the concentration values are not standardized. This condition must be corrected, as it interferes with the reproducibility of the presented results.	
<b>Minor</b> REVISION comments	Review the spelling of the species name, as throughout the text it is outside the taxonomically recommended standards.	
<b>Optional/General</b> comments	No comments	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
