

Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_78242
Title of the Manuscript:	Relationship between uncertainty tolerance and acceptance in postoperative patients with cervical cancer
Type of the Article	Original Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<ul style="list-style-type: none">- I suggest put the exactly period of time for example March 31 , 2021 to September 30, 2021.- It would be good if you expanded the exclusion criteria, for example: those who did not accept to enter work- It would be necessary to put when (at what moment of the treatment) they applied the questionnaire- I did not find the acceptance of the ethics committee in the manuscript. It is very important	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	I like the paper. I think that it will be ok with the suggestions	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
