On page 3, I could not understand the translation: that shiitake enhances basic energy, <u>beat the energy of body liquids</u> , heals fever and kept starvation off (Ch, H., 1996)(Wasser, S.P., & Weis, A, L., 1997). On page 7, table II should be reorganized. Check the spelling of nutraceuticals (nutraceuticals?) and hypercholesterolemic (Hypercholesterolemic?) Could you label the reference with numbers?
