

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_80083
Title of the Manuscript:	Evaluation of the effectiveness of titanium-prepared platelet rich fibrin (T-PRF) and demineralized freeze-dried bone allograft (DFDBA) in socket preservation followed by implant placement using two stage approach.
Type of the Article	Original article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	The title does not need a dot at the end of the sentence In Abstract: - too much background; Methodology: type of study, patient inclusion criteria, statistical analysis, level of significance; Conclusion: adjusted to the title of the article. In Introduction: what does the "..." sign in the text mean? Has the use of T-PRF and DFDBA been declared safe for the human body? This reason needs to be written in the introduction. In Discussion: it is necessary to explain the results of the research obtained, why the results are better using a combination of T-prf and DFDBA, explain your arguments, and confirm your research with previous studies. References: It should be written consistently including the name of the journal, the use of the month in the volume of the journal, the use of http or DOI links.	
<b><u>Minor</u></b> REVISION comments	Check the grammar, sentence structure, and use of punctuation	
<b><u>Optional/General</u></b> comments	follow the author guidelines in your journal Need to check the journal below: <a href="#">J Indian Soc Periodontol</a> . 2015 Jan-Feb; 19(1): 56–60. Acta Odontol Scand 2016;74(1):36-43	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
