General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<ol style="list-style-type: none">1. The author (s) should not write an abstract with headings. Rewrite the abstract without headings unless it is the requirement of the journal. In other words, an abstract for a research article is usually written in prose format.2. The authors must stick to either the American English or the British English, and not to use the two simultaneously. For examples: emphasise, analyse, organise/organisation, recognise, practise, centred (British English), etc. while emphasize, analyze, organize/organization, recognize, centered, etc are (American English or spellings).3. Rewrite the introduction by citing some current studies that have a bearing on your study.4. The author must adhere to the APA (7th) in text citation style.5. Give the summary of your major findings in the conclusion. This conclusion seems to be an opinion paper. Please rewrite it.	
<u>Minor</u> REVISION comments	<ol style="list-style-type: none">1. The references must be rewritten adhering to the APA style.2. Please refer to the manuscript for some comments	
<u>Optional/General</u> comments	The paper can be published after the revisions.	

Review Form 1.6
