

## Review Form 1.6

|                          |                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">Journal of Pharmaceutical Research International</a>                                   |
| Manuscript Number:       | Ms_JPRI_84485                                                                                      |
| Title of the Manuscript: | EFFECT OF VARYING PARAMETERS ON THE PROPERTIES OF EFFERVESCENT PARACETAMOL TABLETS FOR PAEDIATRICS |
| Type of the Article      | Original Research Article                                                                          |

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1:** Review Comments

|                                            | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | Accepted           |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      | Accepted           |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    | Accepted           |                                                                                                                                                                               |

### **PART 2:**

|                                              | Reviewer's comment                                                    | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|----------------------------------------------|-----------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) |                                                                                                                                                                               |
