<mark>PART 1:</mark> Review Comments

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments		
Minor REVISION comments	The overall work is of a good quality. However, the following points should be considered to improve the quality of this manuscript: 1- There are many grammatical and typographical errors in the text that necessitates their correction. 2- The abstract is too long and the authors advise to reduce it . 3- The entire subject of the manuscript is related to C. latifolium. However, the authors not report any information about the plant itself. The authors advise to write a paragraph in the introduction on the investigated plant.	
Optional/General comments		

<mark>PART 2:</mark>

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	**_(If yes, Kindly please write down the ethical issues here in details)_**
