

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_85440
Title of the Manuscript:	KNOWLEDGE OF PEDIATRICIANS ABOUT ORAL HEALTH CARE OF CHILDREN
Type of the Article	Original Research Article

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**Lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljpri.com/index.php/JPRI/editorial-policy>)

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	The study presented is extremely objective and interesting from the point of view of knowledge about paediatricians and their level of knowledge about oral health care in children. The methodology is clear and the results are well explored.	
<b><u>Minor</u></b> REVISION comments	Only minor corrections are required to authors for its completion. 1. Review some English words used in the text, for example: practise and diarrhoea. 2. In introduction: According to Bozorgmehr et al's research..... This citation is not referenced, and reference number 9 does not correspond to it. (Mallick et al. 2016)	
<b><u>Optional/General</u></b> comments		

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)  Yes, Confidentiality and ethical aspects were considered in the study.
