PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The article is interesting and original in its topic and arguments. It is clear in its purpose, objective and methodology, to enrich their findings. Conclusions are logic comprehensive and related to the whole work. The language is clear and comprehensive. The only issue I can address to the author is to look at the minor technical writing requests (i.e. Times New Roman, font 12 space 1.5 Justify) and the city of Wuhan and China in capital letters.	
Minor REVISION comments		
Optional/General comments
