

## Review Form 1.6

|                          |                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">Journal of Pharmaceutical Research International</a>                                       |
| Manuscript Number:       | Ms_JPRI_88281                                                                                          |
| Title of the Manuscript: | Anti-inflammatory, Antipyretic and Analgesic Activities of Ethanol Extract of Seriphidium kurramenses. |
| Type of the Article      | Original Research Article                                                                              |

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalipri.com/index.php/JPRI/editorial-policy>)

### **PART 1:** Review Comments

|                                            | Reviewer's comment                                               | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments |                                                                  |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      | 1) Add more references<br>2) References in the format of Journal |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    | 1) Good research Paper                                           |                                                                                                                                                                               |

### **PART 2:**

|                                              | Reviewer's comment                                                                  | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|----------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Are there ethical issues in this manuscript? | <b><u>(If yes, Kindly please write down the ethical issues here in details)</u></b> |                                                                                                                                                                               |
