PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	The author has written a good paper that will be useful in the field of knowledge. The objective is clear, the sections are well arranged and the references are okay. However, I have the following observations which I believe the author needs to work on: 1- Spelling mistakes need to be corrected 2- Please in Introduction find some relevant studies to propose the gap of the study between your research and others. 3- Please compare your findings to the relevant studies.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
