PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Check the attached main manuscript for all issues raised directly. A Microsoft review marker was used. Wrong use of all numbering type of references. So many Repetitions of words in the introduction?	
Minor REVISION comments		
Optional/General comments	The author has a good concept for the study. However, the presentation of the manuscript is not standard enough for a professional use. Neither will a non-professional be able to comprehend what was written. There is need for more clarity and simplicity.
