PART 1: Review Comments

	Reviewer’s comment	Author’s comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>The author should work on those parts highlighted red within the manuscript. It is compulsory to explain properly those three areas you chose to include as the causes of employment in Nigeria. Develop those areas, so that readers all over the world will understand why unemployment causes brain drain.</p> <p>Empirical study should not be done on Germany alone, an empirical study should be done on Nigeria as well. Result gotten from empirical study conducted in Germany cannot be totally tender as a Nigeria’s except you are doing a comparison between two or more countries. In this case, there is no comparison.</p> <p>Author should rework that part and empirical study on Nigeria.</p>	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
